**Instantly protect your privacy or hide an unsightly view without blocking out light.**

You don't need to keep your curtains closed to protect your privacy. Just turn windows into art with these translucent designs that look like stained glass! They let light filter through, but block an undesirable view or add privacy. Ideal for odd-shaped windows or where curtains won't work, such as door sidelight windows or bathroom windows. Made of thin, flexible UV-protected film, the panels cling to glass or any smooth surface without adhesive for easy repositioning. Patterns match end-to-end, horizontally or vertically; cut to fit. #64361 Artscape Window Covering, 2'x3', specify pattern, \$24.50 ea. **SAVE: 2 or more \$22.50 ea.**

## DOING OUR PART

for a healthier earth

To choose products that represent a better choice for the earth because they have less environmental impact, look for items marked with a globe throughout the Solutions catalog.

- **Resource Efficient:** Reduces energy or water use because it is more efficient than similar items.
- **Cleaner & Greener:** Unlike similar products, avoids or allows you to avoid the use of pesticides or toxic materials such as PVC.
- **Renewable Resource:** Made with renewable or certified sustainable resources.
- **Reduce, Reuse, Recycle:** Made with fewer materials than comparable products, or made with recycled content, is recyclable or is reusable.
- **Long Lasting:** Substantially longer lasting than comparable products, thus reducing the need for or the frequency of replacement.

Two slide-out bins make it easy to separate garbage from recycling.

Imagine the convenience of opening the cupboard and having two 8-gallon bins glide out for recycling and garbage. Covered to contain odors. Steel frame; plastic bins. Installs with just four screws. 10 $\frac{1}{4}$ "Wx 17"Hx20"D overall. *Special shipping; see order form.* #68306 Multi-Box Recycling System, was \$69.50; **SALE \$49.90**

Use this water-safe trimmer to gently eliminate nose or ear hair.

Put away the sharp scissors and tweezers. Keep nose and ear hair trimmed with this battery-powered groomer. It's safe and easy to use. Its tiny inner stainless steel blade rotates within a protective chamber—the blade never touches tender skin. Loose hairs are vacuumed up, so there's no mess. Use wet or dry; easy to clean. Uses one AA battery, sold below. 4"L. #68564

Painting made easier  
with HANDy Paint Pail®.

No bending to reach the big can of paint, and no hand cramps from holding a paint-filled glass jar. They thought of everything when they designed this! The one-quart painting pail has an adjustable strap: slip your hand through it and hold the pail with a relaxed (stress-free) grip. There's even a magnetic brush holder and brush scraper to reduce waste. Includes four solvent-resistant disposable liners to make it easy to switch between shades. Made in USA of recycled material.
